TIME TRIALS

Time Trials will be held on Tuesday, June 16th starting at 7PM sharp! The purpose of time trials is so every swimmer has a seed time for the first meet. Seed times help coaches determine the lane assignments for swimmers and relay teams for a meet. Time trials are held only once, after which meet times are used to determine lane assignments and relays.

If time trials are cancelled due to weather, they will be held during regularly scheduled practice the next day. If that happens, we will need a few parents to run stopwatches so if you can stay during your swimmer's practice, we'd appreciate your help!

PRACTICE CANCELLATIONS

Effectively immediately, in addition to cancellations being sent via the Yahoo! Group and being posted on the team website, you can call the WRA and the Washington Park District Sports Hotline at 444-7060 from 6:45 AM to 9:00 AM.

TEAM PICTURES

Photographer Jim Gerkin will be doing our team pictures this year. Unlike previous years, you do not need to pre-order or pre-pay! Basic pricing and order information from Jim is also in your mailbox. However, there is an order deadline. If you want your pictures delivered to the team and save on shipping, please place your order online or via Jim by July 7th. Orders placed after that date will be mailed directly to you.

MEET INFORMATION

As we receive information from the teams of away meets, we will copy and put in all mailboxes. Even if you did not sign up for a particular meet, you will receive the information. For all home meets, warm-ups are at 5:30 and the meet starts at 6:00. Meet cancellations (due to weather) will be sent via e-mail to the Yahoo! Group and be posted on the website as soon as possible. They will not be on the WRA and the Washington Park District Sports Hotline.
