Coach's Corner

Outstanding participation in our first two meets. Great effort Jets! With the humid, hot weather this week, make sure between events snacks are limited to fruit and water. Please avoid sugary foods and drink lots of water.

****** Swimmers, please check in with a coach when you come to meets. VERY IMPORTANT—**

****** Also, parents please notify Coach Colleen via email or a phone call if your swimmer cannot make the swim meet and you signed up to attend the swim meet. This is especially helpful for setting up relays. Thanks for your effort on this important detail.**

Parent Information
