Coach's Corner

Way to go with the increased attendance this year at away meets! You Water Jets are amazing — love to see the motivation you create when you cheer your racing teammates from the pool's edge. Keep it coming!

Information

- *We're still having a few problems with late changes or no shows for swim meets. Please help correct this: Our coaches are trying to manage lane assignments for 140 children.*
- Problems, changes/requests must be in to Coach Colleen by Noon. Unexpected absences should be communicated as soon as known. The swim meet roster is locked at 5:00 PM. No exceptions! Thank you!
- Thank you to all the parents who are helping with the team. You all are making this year a great one for Washington. Cudos to you!
- Please take a few minutes and put a name on swimsuits, goggles, warm-up pants, t-shirts, bags, etc.
- Additional Gracie certificates can be picked up on Friday mornings at the pool between 8 AM and 9:30 AM.
