

Washington Water Jets & Gracie's Pizza Rewards Fundraiser Program.

This summer the Washington Water Jets are working with Gracie's Sports Grille & Pizza to raise funds for our team. We need a new starter and new starting blocks among other things. To realize these funds we are asking each member of the Water Jets to help by selling these pizza certificates.

The members sell the pizza certificates from Gracie's for the regular price of a 16"-2 topping pizza. Gracie's is paid \$17 for each \$20 certificate sold by the group. The result is \$3 for the group per certificate sold as soon as the money is collected and returned.

That's it! No waiting for products to come in and having to sort & distribute them. No collecting when the products arrive before you can receive the funds for your organization. When the members turn the money in to the organization, the portion due to Gracie's is returned and the funds are immediately available to the Water Jets.

The buyers of these certificates benefit as well. They can show their support for the Water Jets and receive the same value they would get if they just came into Gracie's and purchased a pizza. These certificates do not expire, so there is no limitation on usage. If people support our swimmers in the summer, they can still redeem their certificates in the winter if they choose; or buy several to use at their leisure or to give as gifts.

Any certificates that are not sold may be returned to the Water Jets and the swimmer will no longer be responsible for them. Once the certificates are all accounted for, the Water Jets are no longer liable for anything. They simply receive the funds to finance whatever they require.

We are asking each swimmer to help us raise money by selling these certificates as follows:

8 & Under:3 certificates /9-12:6 certificates /13 & up:9 certificates

These are only available when they are signed for by the parents and become the responsibility of that family until the funds are turned in or the certificates returned. Caron Wilson will be at practice from 8AM-9:30AM every Friday to collect the funds/certificates from your swimmers. If additional certificates are needed they will be available at that time as well as at all home meets to encourage the team to sell as many certificates as they can. We will be rolling out an incentive program to inspire the team to sell them this Friday. If anyone has any questions about this, please call me at 397-7328.

Thank you for all your efforts!

Andrea Eddy
